

**March 31, 2018~**

# Email system Change to Office 365!

Doshisha Email is being replaced with Office 365.

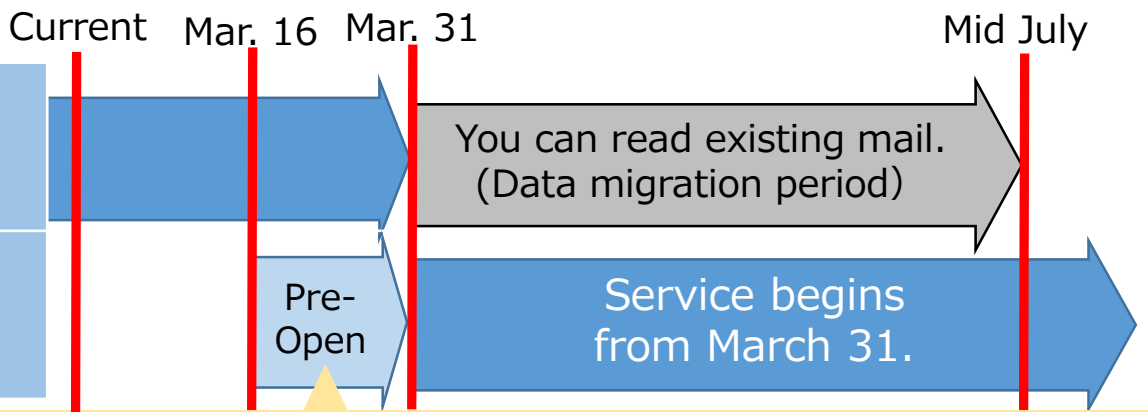

<p>Current service <b>Active!mail</b></p>	<ul style="list-style-type: none"> <li>• <b>After March 31, Current mail system "Active!mail" will not be able to send and receive mail.</b></li> <li>• It will end service at Mid July, 2018.</li> </ul>
---	---

- **Login URL and mail settings will change.**
- **Data migration will not be done automatically.**
- **Data migration should be done by each individual.**

<p>New service <b>Office 365</b></p> 	<ul style="list-style-type: none"> <li>• Office 365 will be Pre-opened from March 16. The mail from some on-campus servers will arrive to Office 365 during the pre-open period. During the period, check the both of Active!mail and Office 365.</li> <li>• <b>From March 31, you can send and receive mail only at Office 365.</b></li> <li>• Please check the URL at the bottom for how to use and migrate user data.</li> </ul>
---	---

## Schedule

Transfer settings and Address Book migration work are possible.

## About changes and considerations

- Smartphone apps are available, and mail box capacity will increase up to 50GB.
- Email Address and password will not change.
- Data migration will not be done automatically, such as mails, forwarding settings, address book datas, anti-spam settings, and schedules.
- **Please refer to the manual and do the data migration by each individual.**

For more information about mail system transition, please check the following Web site.
